

SkillsLatvia 2021

Published: 24.05.2021.

National skills competition SkillsLatvia 2021 is happening in a different format than usual. During three months competitors will compete in 17 skills competitions online and at different vocational educational institutions in Latvia. Carrying out work tasks created by industry experts, competitors will show their skills for one or two days.

This year SkillsLatvia 2021 competition won't be available for visitors due to restrictions caused by *Covid-19*, but the news, photos and results will be available at [SkillsLatvia](#) and [State Education Development Agency's \(VIAA\) Facebook pages](#), as well as [VIAA website](#).
