Eurodesk is a European network of information services in 31 countries providing a unique access to European information for young people and those who work with them. The Eurodesk network receives ongoing support from the European Commission through the Commission's Youth programme, which is operated by the Directorate General for Education and Culture. The Eurodesk national partners are responsible for delivering a range of public European information services at national and local levels, which can include: free enquiry answering - by phone, visit, e-mail, fax, etc.; advice and help to enquirers; publications and resources; events, conferences, seminars etc.; internet access to European information; training and support services.
