We are happy to share with you the impressions of our 1st LinkedIn training session and effective networking powered by **#Lattech**. Thanks for the enthusiastic and positive feedback!

Thank you all for attending and **Katarina Hartgers** for valuable training! Those who missed, note 13 December and apply already to the next free session!

<https://lnkd.in/e5XxxC5D>

For the 1st session, more than 70 EU project enthusiasts from 11 countries and all of R&D fields applied and our capacity is 100 persons for the next session!

One of the participants **Aiga Spāge** said afterwards: "The training event was very valuable both due to the fantastic LinkedIn training, which from the very beginning teaches how to reach more people and make your profile more visible, as well as networking sessions, where you can meet a lot of interesting people working in so many different areas that you have no idea there might be interest in cooperating, but it happened!"

Piedalies pirmdienās 15.00:
13 December, 24 January, 21 February, 21 March
