

## **“To lead and develop the school’s international work”**

Dear all,

We are very happy to invite you all to our digital seminar for Swedish principals and school management on **the 14 February**.

Approximately 60 participants from **preschools/kindergartens, primary- and upper secondary schools** are registered to the seminar. *For more information, view the Programme in Swedish [utbyten.se/att-leda-och-utveckla-skolans-internationella-arbete/](https://utbyten.se/att-leda-och-utveckla-skolans-internationella-arbete/)*

The seminar will be the last session of a continuing education consisting of 2 modules on international programmes and opportunities. This is a collaboration between Swedish Council for Higher Education and the National Agency for Education in Sweden.

These principals are interested in meeting fellow colleagues to maybe start up an international collaboration or just take part of your experiences. Some have prior experience of international activities; some are currently engaged in cooperation and then there are pure beginners.

If you understand Scandinavian, you may join us for the whole session.

Either way, we want our Swedish principals/ school management teams to have the chance to meet other colleagues in the Nordic, Baltic, and European countries. Hopefully you are eager as well to discuss relevant school issues and make contacts for a possible future cooperation.

Register to the seminar by **7 February** the latest,  
<https://link.webropolsurveys.com/S/4437AB3D21889B64>

You will then receive a link approximately one week prior to the meeting with instructions.

**N.B. Mind that the time is Central European Time.**

**CET 10.00–11.00** “Networking with colleagues in Europe”

Contact-creating activity (discuss your schools needs and qualitative work, themes and issues for cooperation, organisation and leadership). An informal session for networking. You may share information about your school, size, how you are organized, development needs, issues interesting for collaboration etc.

We will suggest topics for discussion and then send you into break- out sessions.

*If you register and then are prohibited to attend, please let us know before the meeting.*

Best regards,
