

# RESEARCH FELLOWSHIP PROGRAMME

## PURPOSE

Applications open all year around

Türkiye Scholarships aim to build a network of future leaders committed to strengthening cooperation among countries and mutual understanding among societies.

Research Fellowship Programme aspires to contribute to this objective by encouraging international researchers and academicians to make collaborative academic researchers in their own fields with Turkish academicians at the prestigious Turkish universities. This programme provides research opportunities to only PhD diploma holders or PhD candidates at the dissertation stage.

## FIELDS OF STUDY

Proposed areas of research in this programme are limited to social sciences and humanities. Areas of research to be considered primarily are announced annually in the application guide. Generally the areas of research set out below are supported:

- |                                   |                                  |                              |
