**Ending date of the event:** 17/01/2020

**Event venue:** Tromsø, Norway

**Working language:** English

**Number of places in total:** 55

**Profile of participants:** The seminar is open to participants within the fields of **school education**. The seminar is mainly targeted at teachers, leaders and others working with children in pre-primary and lower primary school (age 1-9), who are interested in learning more about innovative use of ICT among the youngest children in education. The institutions they represent are interested in engaging in a KA229 Partnership.

Participants should have good command of English

**Themes and goals of the event:**

- Presentation of the Norwegian education system with focus on the youngest children in education.
- Inspire and give new ideas to enhance the work with ICT in kindergartens and schools.
- Discussion of the situation of ICT education in the participating countries.

- Study-visit to one kindergarten or one primary schools working actively with ICT in education.
- Reflection on impact (possible use of Impact+ tool)
- How to write a KA229-proposal

**Expected results:**

- Discussions and focus on ICT in kindergartens and primary schools (lowest grades)
  - Networking and sharing experience
  - Inspiration for the future work and European projects on the topic
  - Starting cooperation that will lead to applying for KA229-funding in March 2020
- 
- Our primary goal is that every participant has found a KA229-partner on the subject
  - Our secondary goal is the at least 20% of the participants intent to send a KA101-application within the 2020-deadline. We will promote job-shadowing among the participants outside their “chosen” partnership
